Join us in celebrating more than three decades of dedication to the education and well-being of low-income children in our community at the Community Storehouse's 17<sup>th</sup> Annual Hope Dinner & Auction. We expect 600 guests to attend this very special evening; it will be a memorable night featuring a cocktail reception, fine dining, and private concert with Jack Ingram. Please help us enjoy this beautiful event as we come together to continue our mission and make a positive impact for local children living in Keller, Northwest and Carroll school districts.

At the Hope Dinner you will find an atmosphere of beautiful auction items! You can help by donating a unique experience or item off our wish list:

- **Airlines Miles**
- **Condo or vacation rental properties for a week**
- **Texas Themed Art Work**
- **Catering Experiences**
- **Gift Cards to High End Restaurants (Del Frisco's, Bobs Chop House Etc.)**
- **Tickets to Sporting Games or Sports Memorabilia**
- **New Electronics**

It is through our major fundraisers and the generosity of our donors and sponsors that we are able to provide a variety of programs and services helping children to remain in the classroom. Here is a glimpse of two programs we offer for low-income children:

- **Dignity Closet:** hygiene products are delivered to schools in KISD, NISD and CISD for children and teens that would otherwise go without.
- **Quest after School:** volunteers work with academically at-risk children after school at KISD, NISD and CISD campuses. Volunteers read aloud, discuss readings, and provide homework help as needed. Participating children also receive a take home book in order to build their home library.

All of these opportunities offer you the benefit of positive exposure, a tax-deductible contribution, and satisfaction in knowing that your contribution will enable Community Storehouse to fulfill its mission, being "dedicated to the education and well-being of low-income children in our community."
